In addition to the previous questions please confirm that you are able to comply with the statements made below. If, for whatever reason you are unable to confirm compliance with the below statements please provide an explanation to accompany this signed and dated document. Signing of the declaration will constitute compliance with the below statements.

CYBER EXTENSION STATEMENT OF FACT

- a. You have a Chief Security Officer (CSO) or someone responsible for data security.
- b. You adhere to and comply with the following data security law where relevant: the federal Personal Information Protection and Electronic Documents Act (PIPEDA) and similar provincial Acts and regulation, and in the United States, "non-public personal information" as defined in the Gramm-Leach Bliley Act of 1999, or as amended; Payment Card Industry (PCI) Data Security Standards.
- c. If the data held is medically related, you comply with the 'protected health' information as defined in the provincial legislation in Canada, or, in the United States, the Health Insurance Portability and Accountability Act of 1996, as amended.
- d. You ensure that all Personally Identifiable Information records are backed up and held at a secondary location.
- e. You have firewalls protecting all external IT network gateways.
- f. You use encryption tools to ensure the integrity and confidentiality of all Personally Identifiable Information records including those on removable media.
- g. You use anti-virus software and anti-spyware.
- h. You have a vulnerability assessment program that monitors for IT network security and data security breaches and ensures timely updates of antivirus and anti-spyware signatures and critical security patches.
- i. You have an internet and email usage policy written into all employment contracts which is clearly communicated to all employees.
- j. You implement a data protection policy for the handling of data including Personally Identifiable Information records which is clearly communicated to all employees.
- k. All Personally Identifiable Information records, including those contained in a physical form (paper, disks, CDs, hard drives), disposed of or recycled by a confidential and secure means which is recognised throughout the organisation.
- I. You have a privacy policy on your website.
- m. You have a specific policy for managing all 'opt-in'/'opt-out' marketing requests including the use/storage of cookies on a browsers system/device.
- n. You have a procedure for responding to allegations that content created, displayed or published is libellous, infringing intellectual property rights, or in violation of a third party's privacy rights.
- o. You have a "take-down" policy which allows you remove any third party content applied to any of your message boards, chat rooms or forums on your websites (including websites you may host for third-parties).
- p. You obtain written warranties and indemnities from third parties for content they have created for you (including advertising agents).
- q. Your business has never been declined for a Cyber and Data Security insurance policy, or had an existing policy cancelled.
- r. You have never experienced an event that did or may have given rise to a claim or circumstance under a cyber and data security policy, including but not limited to hacking incident, virus or malicious code attack, cyber extortion attempt, breach of secure data, wrongful disclosure of personal data or interference with rights of privacy?

Agreed

Not Agreed If Not, please provide further information

Please read this paragraph carefully before signing the declaration

It is essential that every Application, when seeking a quotation to take out or renew any insurance, discloses to the prospective Insurers all material facts and information (including all material circumstances) which might influence the judgement of an Insurer in deciding whether to accept the risk and on what terms. The obligation to provide this information continues up until the time that there is a completed contract of insurance. Failure to do so entitles the Insurers, if they so wish, to avoid the contract of insurance from inception and so enables them to repudiate liability thereunder. If you have any doubt as to what constitutes a material fact or circumstance please do not hesitate to ask for advice.

| behalf of the Applicant/s, I/we declare that, after full enquiry, the contents of this application are true and that I/we have not misstated, ornited suppressed any material fact or information. If there is any material alteration to the facts and information which I/we have provided or any writerial matter arises before the completion of the contract of insurance, I/we undertake to inform the insurer. Insurance Principal Director / Partner: Date Da | | |
|--|-------------------------------------|--|
| new material matter arises before the completion of the contract of insurance, i | , we undertake to morn the insurer. | |
